## BOARD OF DIRECTORS MEETING

**CALL TO ORDER AND PERSONS ATTENDING.** The regular monthly meeting of the Board of Directors was called to order at 6:30 p.m., at Millington Fire Station Number 1. Directors Jay Hanna, Brett Mosieur, and Dr. James Woods were present at the fire station. Director Jordan Slape attended via Zoom. Chief Rob Aton, Jr. and Millington Fire board member Sharron Wells were also present at the station.

**PUBLIC COMMENT.** No public comment.

**CONFLICT OF INTEREST.** None declared.

**MINUTES.** Dr. Woods moved to approve the minutes from the May 18th, 2026 regular board meeting. The motion passed unanimously.

**BILLS PAID.** Brett moved to approve payment of the bills including checks 2244-2257 as reflected on the ledger. The motion passed unanimously.

Unfinished Business

Brush 2 Repairs. Waiting for the new pump to arrive so it can be installed.

New Business

Conflagrations. The State Fire Marshal has put us on standby for conflagrations.

Annexation. Coos Bay would like to proceed with partnering with us on our annexation project.

Holmatro Mini Cutters. Chief Aton would like to purchase mini cutters to assist with extractions. These cutters are smaller than the Jaws of Life but can cut through things like steering wheels and brake pedals in smaller spaces. Jay moved to purchase the Holmatro Mini Cutters from Sea Western for \$5,208.00, which will be attributed to budget, material services, line 8: supplies - firefighting. The motion passed unanimously.

Hydrant Packs. Chief Aton would like to compile 3 hydrant packs. These packs would be a bag filled with the tools and parts needed to quickly adapt hydrants to connect to hose. Brett moved to spend up to \$1,500.00 on the creation of the hydrant packs, which will be attributed to budget, material services, line 8: supplies - firefighting. The motion passed unanimously.

FY '26-'27 Budget. Jordan moved to adopt the budget resolution for fiscal year 2026-2027 as read. The motion passed unanimously.

CCF&R Update. From May 18th, 2026 to June 15th, CCF&R responded to 24 medical calls, 1 motor vehicle accident, 3 fires (1 wildland, 2 structure), for a total of 28 calls. There was no change in volunteers.

There are no out-of-area trainings this month. We are still waiting on the new pump motor for Brush 2. Chief Aton will ask the CCF&R board to purchase hydrant packs and Holmotro Nippers. We received a new-to-us Ford Expedition from the Sheriff's Office and are working to get it into service. It will be used as a technical rescue vehicle. The FEMA Assistance to Firefighters grant application was submitted requesting tenders for both Millington and Sumner. The Summer Staffing Grant started June 1st and we have 2 firefighters on duty during the day. The fire level was raised today.

Good of the Order. Chief Aton has been invited by Coos Health and Wellness to attend a table talk re: a hypothetical measles outbreak in the county.

Jay moved to adjourn the meeting at 7:09 p.m., which passed unanimously.

## ACCOUNTANT'S COMPILATION REPORT

Board of Directors  
Central Coos Fire & Rescue  
Coos Bay, OR 97420

Management is responsible for the accompanying financial statements of Central Coos Fire & Rescue (a municipal corporation), which comprise the statement of assets, liabilities, and fund balance - cash basis as of June 30, 2026, and the related statement of receipts and disbursements, budget and actual - cash basis for the twelve months then ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The accompanying cash basis budget of the Central Coos Fire & Rescue for the year ended June 30, 2026 has not been compiled or examined by me and, accordingly, I do not express an opinion on any other form of assurance on it. The forecasted or projected results may not be achieved and I assume no responsibility to update the report for events and circumstances occurring after the date of the report.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Authority's assets, liabilities, equity, revenues, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to the Central Coos Fire & Rescue.
